However the internal postage for further transportation within PEI had not been paid (1 d) and therefore postage due of 2 d was applied. Dated 30 Apr. 1867. 2020P	Prince Edward Island Incoming mail. Letter dated Edinburgh, Scotland 7 March 1798 sent to Gulf of St. Lawrence. Note "recd 11 Sept 1798". Carried by private ship, which was the case for most letters during the Anglo-French war.	⊗	1.500.-				

2022P	Prince Edward Island Single rate letter dated Cascumpec 25 June 1825 sent via Charlotte Town to Exmouth, Great Britain. Paid to Halifax (8 d). Packet rate 1 Sh 3 d Halifax-Falmouth and inland postage 8 d as it was not routed via London. Unusual exhibition item!	☒	1.400:-	2030P	Prince Edward Island Letter rated as single rate dated Charlotte Town 2 August 1821 sent to London, UK. Pre-paid to Halifax 8d (red manuscript). Then 1 Sh 3 d rate Halifax-Falmouth and 11 d inland UK postage to London making a total of 2 Sh 2 d. However an inspector's crown has been applied and the letter has been re-rated as double rate to 4 Sh 4 d because it contained a 'life certificate' which was considered an extra letter sheet.	☒	1.200:-
2023P	Prince Edward Island Double rate private ship letter mail dated Charlotte Town 14 June 1837 sent to Liverpool, Great Britain. Postage due marking of 3 Sh 4d consisting of 1 Sh 4 d ship letter rate (of which 2 d for the ship master) and 2 Sh for inland postage Plymouth - Liverpool. Note "Pd to Halifax 8" to show that the postage to Halifax, N.S. was pre-paid. 2024P	Prince Edward Island Single rate letter from Charlotte Town dated 16 August 1851 to New York. Showing red strike of PAID handstamp in use at Charlotte Town 1851-53. Postage due note in black manuscript 1 Sh 2 d accounting for 1 Sh standard packet rate (as of 4 Sept. 1840) and 2 d internal B.N.A. postage. This cover was carried by "Britannia", one of the Cunard Line ships on the route.	☒	800:-
2027P	Prince Edward Island Single rate letter from Charlotte Town to Halifax, Nova Scotia dated 15 February 1824. Obliterated with circular Prince Edward Island cancellation with year in italics. Few examples known. The rate consists of 8 d Charlotte Town-Halifax and 1 d for local delivery within Halifax, accounting for black manuscript marks 8, 1 and 9.	☒	1.200:-	2035P	Prince Edward Island Double rate letter from Charlotte Town 24 January 1842 to Cheltenham, Great Britain. 2029P	Prince Edward Island Double rate to Great Britain, London cancelled (Charlotte Town) 1 August 1820 paid to Halifax 1 Sh 4 d. Packet rate Halifax-Falmouth 2 Sh 6 d and inland postage to London a further 1 Sh 10 d making a total of 4 Sh 4 d postage due. There has been some confusion as to whether this was a triple rate item or not, an inspector's crown has deleted a 4/4 marking and 6/6 has been written - but then the 6/6 has been deleted and 4/4 in red shows that 4/4 was what indeed was paid. Interesting high rate exhibition item!	☒	1.200:-	2037P	Prince Edward Island Single rate letter sent from Charlotte Town 17 October 1826 to London, Great Britain. Circular PAID and red manuscript 8 to show that the postage of 8 d to Halifax was paid. Auktionsvillkor

Auktionen är frivillig och sker för inlämnarens räkning. Objektet säljes till högstbjudande för näst högsta bud + en fast höjning. Finns endast ett bud säljes objektet till utropspris. Av två lika bud gäller det först inkomna. Underbud accepteras ej.

Alla bud skall avgas i svenska kronor. Alla fakturor avseende köp på auktionen ställs ut av AB Philea, org.nr 556326-1949, som är ekonomisk och juridisk motpart för alla köpare på och inlämnare till auktionen.

Köparprovisionen är 23 % på klubbat auktionspris, även för utländska kunder. AB Philea använder sig av vinstmarginalsystemet (VMB), vilket betyder att moms inte specificeras på fakturor. Dessutom tillkommer i förekommande fall porto- och försäkringskostnader.

Avgivet bud är bindande. Vid bud för annans räkning ansvarar budgivaren för att försäljningsvillkoren uppfylles som om det vore eget bud. Budgivaren är också ansvarig för av honom gjorda fel i auktionsuppdraget. Likaså vid obekräftade telefon- och telegrambud är budgivaren ansvarig för ev. fel och missuppfattningar.

Auktionsuppdrag behandlas så omsorgsfullt som möjligt, dock utan några andra åtaganden från firmans sida. Vi förbehåller oss rätten att avvisa personer från auktionen och avböja bud utan att ange skäl härför. Vi förbehåller oss rätten att vid missförstånd eller meningsskiljaktigheter utlysa ny budgivning.

Betalning sker kontant eller mot förskottsfaktura. Objektet förblir säljarens egendom till dess full likvid erlagts. Likvid skall erläggas inom 8 dagar från fakturadatum. Vid senare betalning debiteras ränta med 2 % per påbörjad månad räknad på fakturabeloppet, samt kravavgift med 40 kronor. Har likvid ej inkommit 30 dagar efter fakturadatum eller om köparen vägrar att betala, kan objektet utan ytterligare meddelanden säljas på köparens bekostnad.

Utländska kunder erhåller förhandsfaktura.

Objekten säljs i befintligt skick såvida inte andra utfästelser om deras kvalitet har gjorts i katalogen eller på Internet. Detta innebär bl.a att som fel betraktas i första hand på foto ej synliga defekter eller avvikelser från kvalitetbeskrivning av enstaka objekt/serier. Beträffande samlingar eller partier innebär det att näringsidkare inte äger rätt att göra några påföljder gällande och att den enskilde konsumentens möjlighet är begränsad till vad som stadgas i konsumentköplagens § 9.

Reklamationer skall göras inom skälig tid efter det att köparen upptäckt eller bort upptäcka felet, normalt inom 10 dagar efter det att köparen har mottagit objekten eller haft möjlighet att göra detta genom avisering om objektens översändande från dennes postanstalt. Vid godkänd reklamation återfår köparen auktionspris plus 23 % och ev. porto.

Auktionären kan vid reklamation kräva intyg från opartisk välkänd expert. Objektet med äkthetsintyg kan, om auktionären så anser befogat, endast returneras om minst två opartiska och välkända experter har en från intygsskrivaren avvikande mening.

AB Philea har ensam rätt att utse vilken internationellt erkänd expert som skall användas, om inte annat överenskommit innan bud lämnats.

Avgivande av muntliga bud eller auktionsuppdrag innebär godkännande av ovanstående villkor.

Katalognummer och värden är hämtade ur Facit för Norden samt Michel för alla andra länder och områden, om inget annat anges.

Vid tvist gäller svensk lag.

Auction conditions

The auction is voluntary and is conducted on behalf of the vendors. The lot shall be sold to the person making the highest bid at a sum equal to the next highest bid plus a fixed increase. If there is only one bid the lot will be sold for the starting price. In the event of two identical bids the first bid received has priority.

All bids must be made in Swedish crowns (SEK). All invoices pertaining to auction purchases are made out by AB Philea, the financial and legal counterpart to all buyers and vendors at the auction.

Commission of 23 % is added to the hammerprice for both domestic and foreign customers. AB Philea uses the "Margin scheme" (also known as the "Global System") meaning that no VAT will be specified on invoices. When incurred, expenses for insurance and postage are also added.

Bids made are binding. In the event of bids being presented by persons on behalf of another (agents) the person presenting the bid is liable to satisfy the sales conditions as if it were his own bid. The person presenting the bid is also responsible for errors made by him in when acting as agent at the auction. Similarly, the person presenting the bid is liable for any errors or misunderstandings in the case of unconfirmed bids by telephone or telegraph.

The auction will be conducted with as much care as possible but without any undertaking on our part. We reserve the right to reject persons from the auction and decline bids without giving any reason for doing so. We also reserve the right, in the event of misunderstanding or differences of opinion, to re-offer the goods for auction.

Payment for lots purchased by a bid at the auction shall be made in cash, or against a pro forma invoice. The lots remain the property of the vendors until such time as full payment is made. Payment shall be made within 8 days of the date of invoice. In the event of delay in payment interest is charged at 2 % of the invoiced sum for each month commenced plus a reminder fee of SEK 40. If payment has not been received by us within, at the latest, 30 days after the date of invoice or if the purchaser refuses to pay, we are entitled to sell the lot at the purchaser's expense without giving any further notice. If this occurs the sum received on sale, after deduction of sales expenses, will be deducted from the unpaid debt. Any sum remaining due will be subsequently recovered by legal measures.

Foreign customers will receive pro forma invoices.

Lots are sold in their present condition except where other remarks concerning their quality have been made in the catalogue or on Internet. This means, among other things, that defects not visible in photographs or deviations from descriptions of quality of individual articles/sets are not regarded as defects. For collections and accumulations tradesmen are not entitled to make any claims and private consumers rights are limited to those stipulated in Section 9 of the Swedish Consumers Sales Act.

Complaints must be presented within a reasonable time after the purchaser discovered or ought to have discovered the defect, normally within 10 days following the purchaser's receipt of the lot or his having had such opportunity following notification by his post office of the lot's arrival. If a complaint is approved the price of the lot will be repaid to the purchaser plus any postage.

The auctioneer may in the event of a complaint request a certificate from an impartial well-known expert. Lots with certified authenticity may, if the auctioneer considers it appropriate, only be returned if at least two impartial and well-known experts have an opinion which varies with that of the person who certified the authenticity.

AB Philea has the sole right to appoint an internationally recognized expert to be consulted, unless alternative arrangements about expertization is agreed prior to placing a bid at the sale.

The presentation of verbal bids or auction instructions means that the above conditions are approved.

Unless otherwise stated, the catalogue numbers and valuations are taken from Facit for the Nordic Countries and from Michel for other countries and territories.

The auction is conducted and sales made are subject to the exclusive jurisdiction of the Swedish courts and is subject to Swedish law.

In the event of any discrepancies in the text arising from translation, the Swedish text shall prevail.
