## **The auction is an online live auction – with no auction room**

We recommend that you create an account on our website in good time before the auction if you have not already done so. You can then leave bids beforehand or bid live when the lots are auctioned, on [www.philea.se](http://www.philea.se). The auction schedule is found on page 5 and the system will auction at most four lots a minute.

We no longer require scheduled appointments for visiting the viewing, but naturally you still shouldn't visit if you are ill. The viewing hours are found on page 5 and you may view during the ongoing auction.

You can bid using your mobile, tablet or laptop while at our premises during the auction and we will also set up terminals for customers to borrow for bidding. You may pick up bought lots throughout the auction days and during regular business hours after the sale.

If you are unable to bid online, you may give us your bids beforehand by post, email, telephone or to a member of our staff at the viewing, at least an hour before your lots are auctioned.

We also offer "live" telephone bidding for lots with reserve SEK 2000 and up. For lots reserved at less than SEK 2000 we will bid on your behalf up to SEK 2000 if competition so requires, and only thereafter confirm your continued bidding. This is to speed up the auction process. We need to know what lots you want to be called for no later than the day before the auction.

## **Auktionen är en online live auction – utan auktionssal**

Vi rekommenderar att du i god tid före auktionen skapar ett konto på vår hemsida om du inte redan gjort det. Du kan då lämna bud i förtid eller bjuda live när objekten klubbas, på [www.philea.se](http://www.philea.se). Auktionsschemat finns på sidan 5 och systemet kommer att auktionera max 4 objekt i minuten.

Ingen föransmälan behövs för att besöka visningen, men naturligtvis gäller fortfarande att du inte ska besöka oss om du är sjuk. Visningstiderna framgår på sidan 5 och som vi har även visning samtidigt som auktionen pågår.

Du kan bjuda via din mobil, surfplatta eller laptop, och det kommer också att finnas terminaler tillgängliga i våra lokaler för att bjuda online. Köpta objekt kan avhämtas löpande under auktionen eller efteråt på våra öppettider.

Om du inte har möjlighet att bjuda online så kontakta oss för alternativ. Det går bl.a. bra att före auktionen lämna skriftliga bud direkt till oss på vanligt sätt, inklusive till någon av våra medarbetare under visningen, senast en timme före dina objekt auktioneras.

Det går även bra att bjuda "live" på telefon för objekt med utropspris på minst SEK 2000. För objekt med lägre utropspriser kommer vi bjuda för din räkning upp till 2000 om konkurrensen så kräver och först därefter bekräfta din fortsatta budgivning. Med andra ord, om du inte vill "gå upp till" 2000 för ett objekt som du vill vara med på telefon på, ber vi dig lämna skriftliga bud istället. Detta för att påskynda auktionsprocessen.

Time does not permit further description, other to say all the colours here are rich, hardly exposed to light and of course unchecked for varieties that were not considered at the time of collecting, many decades ago. 4339Av Representing the first and best volume of the 11 offered in this auction in a total of four lots of the red Lindner albums. The first page starts with Ceres heads through to 1fr carmine x2, as well as 'B' under neck 1852 – this is the start of a parallel mint and used collection. Highlights inc 2x20cts unused, as well as superb appearance 15cts green used yet with a 3mm tear., both of the 1fr are 3 margins and the rest, mostly, are 4 margined inc a superb 25cts and pair of 1852s huge margins. This page alone has a min cat of €6000. The second page of Napoleon Empire, perf and imperf types, many 4 margined inc a probable MNH (!) 25cts Mi #14, as well as a 5cts Mi #11, although this has matted gum and then a 4 margined 80cts Mi #16, original gum but probably the least expensive shade Mi #16c, the 'mattrosa'. The min cat of this page alone is again well over €6000. The third page has 2x 5fr Napoleons with the usual security thins, as well as unused perf type 1ct (x2 shades), 2cts, 4cts, 20cts (x2 shades), 30cts, 40cts and all of the same used and the Ceres perf Repub Mi #33 to #35 mint/unused. The min cat on this page is again well over €6000. Finally in the imperfs, there are the Bordeaux with 4 margins 1ct, 2cts, 4cts, 30cts and 80cts unused, all sound appearance, rich colours + used to the 80cts with the 30cts, 40cts and 80cts all 4 margins, the catalogue on this page is €4000+. Then further studies mint and used of the Repub Ceres types of 1871/75 with a good range of unused and used to 80cts, this page with a min cat over €2000 - min total €24,000++ for the first 5 pages. Then an extensive range of 'peace and commerce' types much identified by Yvert with values mint and used to 5fr, just the 'B' under types comes to, yet again, €6000. Then the second type housed in a further 6 pages, well filled, with at least €4000 on this section alone. Then the postage dues imperfs inc mint 10cts x2, both types of the 15cts, then the 60cts blue, through to the next 3 partial sets up to 1935 with most values represented and no doubt a very high cat here too. Then follows 20th century inc a good range of Mouchon and Merson types inc etc key value 2fr MLH, all part of a well filled parallel mint and used, from this point onwards. This applies, for example, to the first sower definitive and virtually all defins thereafter with occasional MNH and of course superb used, leading on to the more obvious 1923 Bordeaux M&U, first m/s of 1935 again M&U, (these 2 alone cat €4400), the heart of the Strasbourg MNH, the Le Havre M&U, all the sinking funds and if the 1929 types to 20fr Pont Du Gard are right types as placed, many 1000s of euro here as well. Also seen 1930s 2 PEXIP M&U, the 10fr plane over globe green, the first airmails sets o/ps all parallel mint and used. Also noticed a superb EIPA perf-in used, the 50fr plane over Paris and the 50fr banknote, ending with lots of good back of the book, the affranchis, F.M. o/p types, early Postes Paris '1920 - 22' o/ps, etc, etc. We project a catalogue well in excess of €60,000, however the condition in the classics is mixed, as to be expected with some superb present as well. A real opportunity to buy a collector's collection loaded with seldom seen material. A joy to view, much more here to discover, spending time on this is highly recommended.

4410A		Several 100s of stamps, mint and used, for the most part housed in one album on it quadrille album leaves, completely uncatalogued. The gamut of condition here and it is not presented in alphabetical order and sometimes needs work. Highlights inc NGC with dozens of stamps, very attractive 3 pages with coloured postmarks, straightlines, all denominations, then follows Saxony to the left and right side profiles, again both by the dozens with values to 5ngr, next is Wurttemberg from various imperfs and a subsequent range of definitives, then Hannover shields and profile issues, followed by Baden shields and far more in the coat of arms types, mostly used, again all looking very impressive. Next follows New Brunswick with the running horse both perf and imperf, then Prussia with two dozen or so imperfs, loads of shield issues here, as well as Thurn and Taxis, with many better stamps, virtually all used, other areas inc Bergerdorf through to Hamburg, the German States finally ending with Oldenburg, imperfs Bavaria, etc, etc. There is also a very good German Empire with at least 75+ examples in both categories of dual currencies first issues to research. Much, much more here than described, will clearly catalogue into many 10s of 1000s of euro.	★ ★/★/⊙	5 000	4423	19 1872 Large Coat-of-arms 1 Gr carmine. One album with the Hindenburg heads overprints represents Achenheim to Mothern, the second album of the same type from Muenster through to Zabern/Zillusheim and then the third album with various Hitler heads, ending with various bahnposts. **4756A** Ireland Booklets. A remarkable collection of about 125 items, many privately sanctioned from the Irish Postal authorities to the local collecting clubs from the 1970s onwards with booklets specifically for Cork, Sligo, Dundalk, Laoth, Galway, etc. As far as we can see all are different. Collection continues to the national issues, both sterling and euro with themes such as Irish buses, 'Love is', Christmas, Parliamentary democracy, tall ships, classic motorcars, Nobel prize, various sport teams of the millennium, etc. Comprehensive in scope and some of these 'private' booklets have extremely low printing numbers.

Remarkable collection from the first Hejaz issues, unframed Hashimite o/ps, zig zags through to the framed issues incl. errors, similarly 1922 types, ending with the postage dues incl. inv. o/p, etc. This sections ends with 1922/1923 with handstamp o/ps and not forgetting the gold o/ps of 1924, again extensive and interesting. Then follows the Jeddah 2 line o/ps, further zig zags on to further postage dues and the 3 line red o/p types, incl. inverted as well as normal, the black o/ps, also present to high values. Similarly so with the blue ops to 10Pi and yet again the 3rd prov and the rectangular control issues with dozens here, looking very impressive. The next section just as good with Nejd, namely the occupation stamps of Hejaz, not just the regular defin o/ps but also the fiscals ad bill stamps, the good railway tax stamps, etc. Finally Ottoman overprint issues Mustahiq black and commemorative handstamp railway issues to 1000PI o/ps, on to 1926 blocks of 4, pans-Islamic conference 1927 types and the Annexation issue again complete on to British Mandate Terriorty, etc, etc. A wonderful collection, much more than this outline description, with many hardly ever seen issues and much unlisted that will delight the specialist. 4965Av	Saudi Arabia Collection 1867–1921 in album. Extraordinary would be an understatement of this collection, beginning with the 1867 interpostals Gedda, types A and B for both dies, two of the scarcest of the interpostal issues, followed by 1885 used in Jeddah with GB embossed coat of arms and probably unique strips of four of the 1 shilling embossed. Also noted the 6d o/p, as well as the 2/6d yet again including some handwritten date stamps from De la Rue, virtually all in good condition. The collection ends with 'flat rate' currency stamps in different shades, perf. 11 1/2 typograph 1920/21. Much is written up, yet still more research needed, many hundreds of stamps, a wonderful recommended collection, very difficult to find again. Fine quality (230)	⊙	10 000

5016Av	A remarkable mint and used study of with the difficult Newspaper stamps, well organised and written up in one album, commencing with the 1891 “IMPRIME” overprints, some in black, blue or red with 10pa (8), 20pa (7), 1pi (5), 2pi (3) and 5pi (red ovpt), mostly used (SG cat value (2008) £4000+), then the 1892 Arms and Tughra definitives mint (1pi x 5) and duplicated used to 5pi (6) with an excellent range of useful cancellations noted, same design 1892 “IMPRIME” with 10pa (10), 20pa rose (2) and claret (10), 1pi (11), 2pi (9) and 5pi (2) used, some inverted ovpts etc (SG (2008) £12,000+), then 1894 ovpt vals to 2pi (12) and 5pi (2), also 5pi surcharges in black and in red plus p.dues. Very seldom offered thus, with the IMPRIME op. issues alone having a cat of £16,000+, recommended and a very conservative start price. Mixed quality	Mostly ○	15 000		
5017Av	A very well presented collection in 3 albums of the 1865 to 1892 Duloz design Crescent and Star issues, one album being the mint issues to 5pi with a wonderful range providing various shades and perforations, blocks of 4 and pairs, both Paris and Constantinople printings and with further work to be done separating the different types of Arabic overprints, the 1876 surcharges include a block of 4 of the 5 Pres on 5pi, then a further two albums with the corresponding used issues, also with pairs and blocks, again having shades, perfs and overprint types to work on, but with the additional appeal of the postmarks, ranging from cds’s, bilingual types, Arabic cancels both circular and boxed rectangular, negative seals and more, some of which have been identified, but providing a fantastic opportunity to spot furthermore of the elusive Holyland locations. With over 1150 stamps, 2/3rds of which are used, this collection will not disappoint the eagle eyed researcher. Mixed quality	Mostly ○	15 000		
5018A	A truly wonderful collection of the elusive “back of the book” material, seldom seen as not well listed in the mainstream catalogues, very well written up in one album. It commences with ranges from 1898 Eastern Telegraph Co. 10pa revenue stamps, then duplicated sets of mint and used 1898 Thessaly octagonal Military stamps, the 1866 Liannos Constantinople Local Post labels (a few forgeries identified), with blocks of 8 and of 20 included together with singles, various bisects with overprints and surcharges, and a selection of different Kachak Contraband precancels. There is then an excellent study of the Sehir Local Post overprints FU on a very impressive range of over 200 Duloz “Star and Crescent” issue stamps, also 29 of the very difficult Mount Athos ovpts. A very seldom offered aspect of Ottoman philately. This is highly recommended for the specialist collector or dealer, wishing to broaden their horizons with the unusual. The entire lot is presented at <a href="http://www.philea.se">www.philea.se</a> .	Mostly ○	10 000		
5019A	An excellent study of the Empire issue 1876-1890 Crescent type, with parallel collections both mint and used in two albums, beautifully presented, including both the postage and p.dues, having vals from the 5pa to 5pi in various colours and with a useful range of shades, some on thin paper, with different perforations noted, a few pairs, much interest in the wide range of postmarks with cancels in black and in blue, both Arabic and bilingual cancels which would prove fascinating to study for the various “used in Holyland” locations, negative seal types, boxed cancels, lozenge types and many different cds’s, perfect to expand on and to find some hidden gems. There are over 750 stamps with a good 2/3rds being used, the condition of which is generally very good. . Mixed quality Dealers stock of 20th century, mint and used, sorted on several 100s of stockcards, housed in 5 boxes. No set in great duplication, often a few of each. The mint is virtually all superb MNH and the used all sound. Nearly everything has catalogue numbers and while, strictly speaking, not in absolute chronological order, it is clear that the catalogue potential runs into many 1000s of euro including back of the book. So many different topics here, as well, making it not only suitable for any dealer of the Middle East, also ideal for the thematic collector or dealer. There is much tough to find material here, often ludicrously low in the catalogue. Viewing is a must in order to appreciate the huge potential among the 1000s of sets present.	★/○	6 000

## Auction conditions

The auction is voluntary and is conducted on behalf of the vendors. The lot shall be sold to the person making the highest bid at a sum equal to the next highest bid plus a fixed increase. If there is only one bid the lot will be sold for the starting price. In the event of two identical bids the first bid received has priority.

All bids must be made in Swedish crowns (SEK). All invoices pertaining to auction purchases are made out by AB Philea, the financial and legal counterpart to all buyers and vendors at the auction.

A buyer's premium of 25% is added to the hammer price for both domestic and foreign customers (at the pure coin auctions the buyer's premium is 21%). A lot charge of SEK 20 per bought lot is added to the total buyer's premium. AB Philea uses the "Margin scheme" (also known as the "Global System") meaning that no VAT will be specified on invoices. When incurred, expenses for shipping and insurance are also added.

Bids made are binding. In the event of bids being presented by persons on behalf of another (agents) the person presenting the bid is liable to satisfy the sales conditions as if it were his own bid. The person presenting the bid is also responsible for errors made by him in when acting as agent at the auction. Similarly, the person presenting the bid is liable for any errors or misunderstandings in the case of unconfirmed bids by telephone. For telephone bidding on lots with reserves less than SEK 2000, the auctioneer has the right to bid on behalf of the bidder up to SEK 2000 when the lot is auctioned, without having to confirm each bidding increment with the bidder on the telephone.

The auction will be conducted with as much care as possible but without any undertaking on our part. We reserve the right to reject persons from the auction and decline bids without giving any reason for doing so. We also reserve the right, in the event of misunderstanding or differences of opinion, to re-offer the goods for auction.

Payment for lots purchased by a bid at the auction shall be made in cash, or against an advance invoice. The lots remains the property of the vendors until such time as full payment is made. Payment shall be made within 8 days of the date of invoice. In the event of delay in payment interest is charged at 2% of the invoiced sum for each month commenced plus a reminder fee of SEK 40. If payment has not been received by us within, at the latest, 30 days after the date of invoice or if the purchaser refuses to pay, we are entitled to sell the lot at the purchaser's expense without giving any further notice. If this occurs the sum received on sale, after deduction of sales expenses, will be deducted from the unpaid debt. Any sum remaining due will be subsequently recovered by legal measures. Foreign customers will receive advance invoices.

Lots are sold in their present condition except where other remarks concerning their quality have been made in the catalogue or on Internet. This means, among other things, that defects not visible in photographs or deviations from descriptions of quality of individual articles/sets are not regarded as defects. For collections and accumulations tradesmen are not entitled to make any claims and private consumers rights are limited to those stipulated in Section 9 of the Swedish Consumers Sales Act.

Complaints must be presented within a reasonable time after the purchaser discovered or ought to have discovered the defect, normally within 10 days following the purchaser's receipt of the lot or his having had such opportunity following notification by his post office of the lot's arrival. If a complaint is approved the price of the lot, incl. the buyer's premium and lot charge, will be repaid to the purchaser plus any postage.

The auctioneer may in the event of a complaint request a certificate from an impartial well-known expert. Lots with certified authenticity may, if the auctioneer considers it appropriate, only be returned if at least two impartial and well-known experts have an opinion which varies with that of the person who certified the authenticity.

AB Philea has the sole right to appoint an internationally recognized expert to be consulted, unless alternative arrangements about expertization is agreed prior to placing a bid at the sale.

The presentation of verbal bids or auction instructions means that the above conditions are approved. Unless otherwise stated, the catalogue numbers and valuations are taken from Facit for the Nordic Countries and from Michel for other countries and territories.

The auction is conducted and sales made are subject to the exclusive jurisdiction of the Swedish courts and is subject to Swedish law. In the event of any discrepancies in the text arising from translation, the Swedish text shall prevail.

## Auktionsvillkor

Auktionen är frivillig och sker för inlämnarens räkning. Objektet säljes till högstbjudande för näst högsta bud + en fast höjning. Finns endast ett bud säljes objektet till utropspris. Av två lika bud gäller det först inkomna. Underbud accepteras ej.

Alla bud skall avges i svenska kronor. Alla fakturor avseende köp på auktionen ställs ut av AB Philea, org.nr 556326-1949, som är ekonomisk och juridisk motpart för alla köpare på och inlämnare till auktionen.

Köparprovisionen är 25 % på klubbat auktionspris (förutom på de rena myntauktionerna där köparprovisionen är 21 %). En slagavgift på 20 kr per köpt objekt läggs till köparprovisionen. Allt detta gäller även för utländska kunder. AB Philea använder sig av vinstmarginalsystemet (VMB), vilket betyder att moms inte specificeras på fakturor. Dessutom tillkommer i förekommande fall frakt- och försäkringskostnader.

Avgivet bud är bindande. Vid bud för annans räkning ansvarar budgivaren för att försäljningsvillkoren uppfylles som om det vore eget bud. Budgivaren är också ansvarig för av honom gjorda fel i auktionsuppdraget. Likaså vid obekräftade telefonbud är budgivaren ansvarig för ev. fel och missuppfattningar. För telefonbud på objekt med ett utrop under 2000 kr har auktionären rätt att bjuda upp till 2000 kr åt telefonbudgivaren utan att behöva få respektive budsteg bekräftat av budgivaren.

Auktionsuppdrag behandlas så omsorgsfullt som möjligt, dock utan några andra åtaganden från firmans sida. Vi förbehåller oss rätten att avvisa personer från auktionen och avböja bud utan att ange skäl härför. Vi förbehåller oss rätten att vid missförstånd eller meningsskiljaktigheter utlysa ny budgivning.

Betalning sker kontant eller mot förskottsfaktura. Objektet förblir säljarens egendom till dess full likvid erlagts. Likvid skall erläggas inom 8 dagar från fakturadatum. Vid senare betalning debiteras ränta med 2 % per påbörjad månad räknad på fakturabeloppet, samt kravavgift med 40 kronor. Har likvid ej inkommit 30 dagar efter fakturadatum eller om köparen vägrar att betala, kan objektet utan ytterligare meddelanden säljas på köparens bekostnad. Utländska kunder erhåller förhandsfaktura.

Objekten säljs i befintligt skick såvida inte andra utfästelser om deras kvalitet har gjorts i katalogen eller på Internet. Detta innebär bl.a att som fel betraktas i första hand på foto ej synliga defekter eller avvikelser från kvalitetsbeskrivning av enstaka objekt/serier. Beträffande samlingar eller partier innebär det att näringsidkare inte äger rätt att göra några påföljder gällande och att den enskilde konsumentens möjlighet är begränsad till vad som stadgas i konsumentköplagens § 9.

Reklamationer skall göras inom skälig tid efter det att köparen upptäckt eller bort upptäcka felet, normalt inom 10 dagar efter det att köparen har mottagit objektet eller haft möjlighet att göra detta genom avisering om objektens översändande från dennes postanstalt. Vid godkänd reklamation återfår köparen auktionspris plus 25 %, objektavgift och ev. porto.

Auktionären kan vid reklamation kräva intyg från opartisk välkänd expert. Objektet med äkthetsintyg kan, om auktionären så anser befogat, endast returneras om minst två opartiska och välkända experter har en från intygsskrivaren avvikande mening.

AB Philea har ensamt rätt att utse vilken internationellt erkänd expert som skall användas, om inte annat överenskommit innan bud lämnats.

Avgivande av muntliga bud eller auktionsuppdrag innebär godkännande av ovanstående villkor. Katalognummer och värden är hämtade ur Facit för Norden samt Michel för alla andra länder och områden, om inget annat anges.

Vid tvist gäller svensk lag.
